RE: AHUG Bike Park Agreement

16 August 2013

Dear Marian,

I am writing to apologise for the time it has taken for us to progress the agreement for the Alyth Hill Bike Park and the confusion associated with the type of agreement required.

I'm afraid that this arose over a communication breakdown on our side over what type of agreement was required. This was compounded by the length of time it has taken our lawyer to pull the lease together. In slight mitigation, we were operating within a background of major concerns emerging elsewhere in Scotland in relation to this type of facility.

Hopefully, we are nearly there now and will be able to present AHUG with a draft lease for you to consider. Again, I apologise for the delay in getting to this point and thank you and the rest of the group for your patience.

Yours sincerely,

Charlie Taylor.
